

Titanic

This is a list of resources, or Pathfinder, that can be used to help in the research of the Titanic. The Titanic is the “unsinkable” ship that sank in 1912. Over 100 years later, this ship is still a ghost in everyone's mind. Who's at fault for the loss of over 1500 lives? Could this catastrophic accident been prevented, and why didn't the Californian come to their rescue call? Use these resources to find all these answers and more.
